

# Beer/Beverage Pallet Wrappers

Customized Stretch Wrappers with Advanced Technology since 1994

## ❖ 3.5" High Drag-Chain Beer Pallet Conveyor

- No ramps - no tilting unwrapped loads
- No rollers - no roller-to-roller vibration
- No pits - no collection point for debris or spillage
- Single, double, or triple pallet loading/unloading
- Weigh scales available

## ❖ Fully-Auto and Semi-Auto Pallet Wrappers

- Low-profile turntable for pallet-jacks or forklifts
- Overhead rotary arm for floor level loading with any type of pallet handling vehicle
- All models available with weigh scales

Cousins Packaging offers a full line of standard, and specialty stretch wrappers for any distribution warehouse application. We design and manufacture only stretch wrap machines and related equipment all in one North American facility.
